DESCRIPTION

On the tip of Cap Martin Exceptional villa at the gates of Monaco, 998 m², park and swimming pool

In Roquebrune Cap Martin, this luxurious property of approximately 1000 m² stands in a dominant position like a belvedere overlooking the sea and Monaco: an exclusive address, a unique location. After a careful renovation with high-end services, it offers a unique style with exceptional brightness, highlights the typical landscape of the French Riviera and allows you to fully enjoy the blue of the sea and the sky from all rooms. A breathtaking natural spectacle to be enjoyed in absolute privacy,

it is the ideal property to live a unique and memorable experience. The land of approximately 10,000m², a true natural amphitheater, allows you to contemplate the sea that extends beyond the horizon of the French Riviera and its pearl - Monte Carlo. The internal living space of the property is spread over three levels and more than 998 m² of living space. Given the confidential nature of this transaction, we ask you to request information material, images and details privately.
